MINUTES OF SENSITIZATION VISIT
OF DEPARTMENT OF RURAL DEVELOPMENT
ABIA STATE MINISTRY OF COOP-
ERATIVE AND POVERTY REDUCTION
WITH THE PEOPLE OF EZIAMA
URAKARA AT EZIAMA CIVIC
CENTRE HELD ON THURSDAY THE
22ND DAY OF NOVEMBER 2018

Opening prayer was said
by L/R Anthony Alison at
exactly 10:45 am. Thereafter
the President General of the
Community Chief D. I. O. Akwaramba
presented kola in conjunction
with the Traditional Ruler
of the Community H. R. H. Eze
(Sir) G. U. Okenwa (JP)
And at the same point welcomed
the visitors, furthermore the
President general addressed the
Community on the reason why
they were summoned or invited
is for the people of Eziname

to hear directly from the
horse's mouth.

At this point the leader
of the delegation (C.D.O)
Amarachi Osondu Gild introdu-
ced herself and informed the
Community another person is
being awaited. She explained
and informed the people of
Eziama that they should see
themselves as lucky as
Eziama is the only Community
chosen out of all the Communities
in Umuahia South as the
ministry is charged with
the development of rural
Communities and this is the
first kind in recent times
where the Community will
choose for themselves three
projects in order of preference
preference. They are here
to sensitise them they should

equally bear in mind the projects must be micro project ie Projects that do not require much money. She informed the people of Esirima that they were chosen out of baloting as the agency was not bribed by any indigene of the Community. When she was done she called for questions Mr Eberochi Uwaoma asked if there is any thing the government will require from the Community where these projects will be sited ie some thing like Counterpart fund the answer was no. The only thing the government requires from beneficiary communities is ① the land where the projects will be executed ② security of materials and persons ③ judicious use of

the projects among other things
Mr Ifeanyi Ue asked after
the projects who owns the
Completed projects, the Community
or the government. The
answer was the Community
where the project is sited
or located.

At this point the Traditional
ruler of the Community H.R.H
Eze (Sir) G.U. Okemwa (JP)
thanked the government through
the agency for selecting
Eziama as one of the Comm-
unities where the agency
will start pilot phase
and made it clear that Eziama
is a blessed Community right
from the creation of the world
and charged the people of
Eziama to "Kota" sign. He
urged the people of Eziama
to be thankful to God for

Kindness to them as there is no other God except God. He Hoped that this project and dream will come true and will not end like other ones proposed by the government which did not see the light of the day.

C.D.O Amavach Osondu told at this point called for people to make the choice of projects by themselves in order of preference. The projects must be three in number.

The method adopted to make choice included voice vote and voting. It should be noted here that the people of Erima came out in their numbers despite the short notice. The projects chosen by the people in order of preference are: -

- ① Renovation of Ejiama Primary School
- ② Rural Library Complex
- ③ Construction of Culverts at Ojwumabari Market -

At this point Mr Chuka Okoye arrived and apologised for coming late and ~~added~~ ~~his~~ confirmed what has been said when he was briefed. So far how we have gone.

The team of Ejiama leaders and the guests left for on the spot assessment for ~~the projects on the sites~~ where these projects selected are to be executed.
